## **AN IMPORTANT MESSAGE**

October 12, 2023

Dear Residents of Closter,

The recent atrocities in the Middle East have generated a heightened level of concern in many regions throughout the world, including the United States. Hamas' threats have generated fear impacting the safety of not only Israelis and people of Jewish faith, but of all people around the globe.

As Mayor I am assuring you that the Borough of Closter, the Closter Police Department and Office of Emergency Management are working diligently by increasing all measures necessary to protect our community. We ask your assistance as well as we all must remain cognizant of surroundings and anything out of the ordinary. Our Closter Police Department has taken steps toward this goal and remains in touch with its County, State and Federal partners. Additional patrols have been assigned to our schools and synagogues.

Please be assured that the Borough of Closter will continue to take any and all steps to assure the safety of our residents.

Sincerely,

---

Mayor
