2018 Re-Organization Meeting

Please join the Closter Council and members of the community on Tuesday evening, January 2nd as we eagerly move forward into 2018. The Borough's Sine Die meeting begins at 7:00 p.m. and is followed by the Re-Organization Meeting at 7:30 p.m. in the Council Meeting Chambers located on the second floor of the Borough Hall. All are welcome!

Reflections

Closter has seen tremendous milestones this year through years of planning, negotiating and preparing which have brought improvements to our infrastructure, commercial and residential areas. The renovation and re-opening of the Closter Plaza was one of the most visible milestones that Closter has realized, followed by our road projects and municipal upgrades. The planning and construction of the new Plaza has taken the last twelve years. The Bergen County Cultural Affairs Office recognized both the Closter Borough Hall building and the Closter Plaza sign for the renovation work completed this year, adding to the inventory of historic sites in our community. Our parks and recreation areas were recognized as some of the best facilities in the area. The lighting project along the walking path at Ruckman Park has increased the opportunity for exercise by extending the use of the pathway with longer hours.

The Village School

As you are aware, I have been reporting on the efforts of Closter (as with all municipalities in the State) to comply with New Jersey State Law in the area of Affordable Housing. We recently signed a contract to purchase the old Village School on Durie Avenue where we intend to renovate/construct a building to meet

our affordable housing mandate. This is a significant achievement for the Borough as it will likely prevent the construction of hundreds of housing units in Closter which would have overburdened our schools and services and changed the nature of our residential community. When the Borough has finalized its Affordable housing Plan, public hearings will be held before the Planning Board and Mayor and Council. Thereafter it is our hope to enter into a final settlement with the New Jersey Courts in the first quarter of 2018.

Volunteerism

Closter is proud of the spirit of volunteerism, evident by the number of persons committed to supporting the Borough's Boards and Commissions, organizations and community groups. The members of the Knickerbocker Hook & Ladder Fire Company and the Closter Volunteer Ambulance & Rescue Corp provide endless hours of dedication in services, training and in maintaining equipment in order to provide 24/7 and extraordinary emergency fire, ambulance and rescue services. The commitment of these steadfast men and women are the very backbone of our thriving community. Without them, we would feel a significant loss.

I would also like to thank all the members of our Boards and Commissions who volunteer their time for the betterment of Closter. These include members and commissioners of our Planning, Zoning, Environmental, Shade Tree, Health, Ethics, Recreation, Food & Assistance, Historic Preservation, Improvement, Nature Center, and Library. Without the dedication of these individuals, Closter would not be the desirable place to live that it is today.

Northern Valley Greenway

The Northern Valley Greenway Project is a plan to turn the abandoned CSX railway travelling through six Northern Valley towns into a park with trails. The Mayor and Council received an update recently on the Project announcing that the initiative is getting close to transitioning from an organizational phase to one of delivering its mission within the six municipalities. The official support and cooperation of the towns has made a collective commitment to the Project as steps are being made for the Feasibility Study to organize a proposed work plan of action. As progress further develops on the NVG, I will keep you informed.

Closter Food Pantry

With the close of the holiday season, the Closter Food Pantry is seeking donations that will restock the empty shelves and assist our community families in need. Please visit the Borough's website (www.closternj.us) and click on the link to the Food and Assistance Board to view the lists of items that are needed to stock their shelves.

Happy New Year

On behalf of the members of the Closter Mayor and Council: Victoria Amitai, Jannie Chung, Alissa Latner, Robert Di Dio, David Barad, Joe Yammarino and myself, I extend sincere best wishes for a happy, healthy and prosperous 2018. We gratefully acknowledge the hard work and commitment to making Closter a better place to live as we say farewell to Council members David Barad and Robert Di Dio, and welcome new members, Dolores Witko and Scott Devlin. As a team, the governing body is looking forward to working together in a cohesive manner, bringing new initiatives to Closter, while supporting and assisting in the development of many ongoing projects and functions, all designed to continue our role of a thriving community.

With heartfelt wishes for a happy and healthy 2018, Happy New Year!

All the best,

Mayor
