

***A Holiday Message  
from  
Mayor John Glidden***

*December 2021*

*Dear Friends and Neighbors,*

*As 2021 draws to a close let us take time to reflect and be thankful for all we have in Closter and why we moved here; a safe environment for ourselves and our children due to the finest Police Department in New Jersey; the best schools in New Jersey; a Recreation Program and parks, fields, and playgrounds that are the envy of our neighbors; a strong DPW that keeps our environment clean; first responders of Fire and Ambulance who volunteer their time at all hours; Boards and Commission Members who freely give many hours of their time; and a world-class new Shopping Center that draws people to Closter and protects our property values.*

*From my family to yours: we wish you a Merry Christmas,  
Happy Hanukkah and Happy New Year!*

*May the peace, joy and abundance found throughout this wonderful  
holiday season, be yours throughout the coming year,*

**John C. Glidden, Jr.  
Mayor**
